## Inauguration of Community Health Center (CHC) Rawat

**Rawat, January 23, 2025**

An inauguration ceremony was held today for the Community Health Center (CHC) Rawat, marking a significant step forward in providing accessible healthcare services to the local community. The event was graced and Inaugurated by the MNA, Raja

Khuram Nawaz, alongside the District Health Officer (DHO) Islamabad and his dedicated team.

During the event, the team inspected the medical supplies, equipment, and overall functionalities of the CHC. They expressed their satisfaction with the center's readiness to deliver quality healthcare services. The availability of fully equipped ambulances for the residents of Rawat was also highlighted, ensuring prompt emergency response and transportation.

The local community elders attended the ceremony in large numbers, expressing their joy and gratitude for this much-needed facility. They appreciated the government's efforts in prioritizing healthcare accessibility

and quality. MNA Raja Khuram Nawaz commended the initiative, recognizing it as a critical step in enhancing public health infrastructure in the region.

The District Health Officer lauded the efforts behind the establishment of the CHC, emphasizing its role in bridging gaps in healthcare delivery. He reaffirmed the health department's commitment to serving the people of Islamabad with dedication and efficiency.

The inauguration of CHC Rawat is a testament to the collaborative efforts of the government and health authorities in improving the well-being of communities. With state-of-the-art facilities and services, the center aims to address the healthcare needs of Rawat and surrounding areas effectively.
